### **Position Summary**

The Legal, Regulatory & Policy Department Intern will work closely with the department on intellectual property and technology policy issues as well as on corporate and compliance matters. This position may also provide administrative support to the ESA Legal, Regulatory & Policy team. Potential subject matter may include:

- Copyright, patents, trademarks and domain names
- International trade
- Virtual reality, augmented reality and mixed reality platforms
- Esports
- Right of publicity
- Privacy
- Contracts
- Legal compliance

### **Primary Duties & Responsibilities**

- Prepare summaries of bills, regulations, hearings, workshops and stakeholder positions
- Conduct legal research and analysis
- Conduct research of policy and enforcement matters, both domestic and international
- Conduct market research
- Prepare memoranda
- Attend local meetings and industry events with ESA staff as feasible
- Perform other duties as assigned

### **Requirements**

- 2Ls and 3Ls only
- Outstanding academic credentials
- Excellent writing and analytical skills
- Proficiency with online and legal research
- Good judgment
- Demonstrated interest in technology policy and/or copyright issues
- Familiarity with the video game industry's products and services is helpful

### **Preferred Skills/Experience**

- Strong attention to detail
- Candidates who are knowledgeable/passionate about the video game industry

The ESA is the U.S. association dedicated to serving the business and public affairs needs of companies publishing interactive games for video game consoles, handheld devices, personal computers, and the Internet. If you would like to learn about challenges faced by the leading game software publishers and device manufacturers in a collegial atmosphere, we want to hear from you. Our office is steps away from the Gallery Place/Chinatown Metro stop (Red, Yellow, Green lines) and a Capital Bikeshare station.

College credit is available for this position. Qualified candidates should send a resume and cover letter to [jobs@theESA.com](mailto:jobs@theESA.com). Please include **Intern-LEGAL19 Applicant (your last name)** in subject line. Incomplete applications will not be considered.

---

The Entertainment Software Association (ESA) is the U.S. association exclusively dedicated to serving the business and public affairs needs of companies that publish computer and video games for video game consoles, handheld devices, personal computers, and the Internet. The association represents these industry leaders across the nation and on the global stage. ESA offers a wide range of services to its members, including a global content protection program, business and consumer research, government relations and intellectual property protection efforts. ESA also owns and operates E3, the premier global trade show for video games and related products.
